(a) 1165 x 1165 standard universal pallet. Available in pine or hardwood. Locks into Australian standard racking

(b) 1165 x 1165 light racking pallets. As per above but a lighter weight option

(c) 1165 x 1165 pine shipping pallet. Our most cost effective, standard size transport pallet. Also available in hardwood

(f) 1165 x 585 pine half pallet

(e) 900 x 600 pine pallet

(d) 600 x 600 pine quarter pallet

(i) 1150 x 1150 type 3 pallet. Fits into a container, 2 pallets wide

(j) 1150 x 1150 type 4 pallet. Made from hardwood and pine combination for greater strength. Fits into a container, 2 pallet wide

(k) 1000 x 1200 orange block pallet. This is a pine 4 way forklift entry pallet (can be picked up from 4 sides)

(l) 1200 x 800 Block pallet. This is a 4 way forklift entry pallet (can be picked up from 4 sides). This size is more common in European pallets.
